FOOTBALL

FROM THE COACH

To the Xavier Football Family:

I am both excited and honored to be entering my 23rd season as the head varsity football coach at Xavier High School. Our football program has consistently competed for Conference championships and playoff eligibility. We have made multiple trips to WIAA State Quarter & Semi-Finals.

I have embraced the privilege of cultivating and sustaining a culture that embodies hard work, dedication, selflessness, competitiveness and integrity. My mission is to contribute to the positive character development of our players into their manhood. Nothing gives me greater joy than to see former players making a difference in the world as they move forward through life.

Over the past few years, our football family has lost two great mentors. Coach Hurula and Coach "Abomb" Adamovich were great leaders on and off the field. They had a strong impact in the lives of the young men they coached. They represented what Xavier football strives to be and inspire us to be better.

Touching the Brad Williams Rock every time we walk onto Rocky Bleier Field is a constant reminder of what it means to represent Xavier Football and do everything right. We start and finish every practice and game with team prayer.

I would like to give a huge thanks to my assistant coaches, the JV2 head coaches, the Xavier Booster Club, our administration, teachers, parents and supporters of the Xavier Hawks football program!

Go Hawks! Coach Dave Hinkens
