1/10/2024

Heaven and earth, bless the Lord.

Sparkling ice and mountains of snow, bless the Lord.

Cold winds and rattling windows, bless the Lord.

Frozen ponds and runny noses, bless the Lord.

Snow forts and toboggan hills, bless the Lord.

Thick socks and soggy mittens, bless the Lord.

Let the earth and its people,  
its animals and its seasons,  
give grateful praise to their Creator  
now and forever. Amen

### Parent Education Night: Social Media and How to Navigate it with Your Child

We are excited to offer an opportunity for parents of our students in the Xavier Catholic School System to talk about technology and social media use and how we see it impacting our students both in and out of school. On Wednesday January 17th, 2024 our School Resource Officer Michael Turner will be at Xavier Middle School at 6pm with a presentation about current trends in social media use with late elementary school age through high school age students. Following Officer Turner's presentation, both Sara Meyer and Ashley Turner will speak on what we see with technology use policy violations and how we handle them at the middle school. There will also be a time for Q&A with Officer Turner at the end of the evening. We hope you join us in learning more about technology and our students.
