Celebrate is THIS Saturday!

Only a few days to go until Xavier's largest single-event fundraiser. Whether you will be joining us in-person or logging into the event software to bid/donate from anywhere, please read on for information for all to join in/support Xavier Catholic Schools:

- Online Bidding: Bidding has begun! Anyone can bid from anywhere. All it takes is a quick, FREE registration (it is free to browse, but a credit card is required to place a bid).
 - [Click here](#) to go to the Celebrate GiveSmart website. Once there, click on the "Items" tab, which will allow you to view the auction items.
 - If you are not attending, but would like to bid, click on an item which will prompt you to create an account and register a credit card to begin bidding. You are only charged if you are the winning bidder.
 - If you are attending, you should have received a welcome text and/or email with a link. Once you have confirmed via the link & registered a credit card, you may begin bidding. Please only use the link and do not create your own account as you will then have two accounts at Celebrate. If you have questions, please email Sami at sslaughter@xaviercatholicschools.org and she can re-send your link.
- Staff Donations! Our amazing faculty and staff have donated some wonderful items and experiences to our auction. Go to the GiveSmart website (link above), click on "Items" and then choose the "School

Donation” category.

- Volunteers NEEDED! We need about 100 volunteers the weekend of Celebrate. Students have graciously volunteered a lot of their time that evening, but we still need adult volunteers to help that evening. Go to the [SignUpGenius](#) for more information and to sign up.
- Note to in-person attendees: to streamline your check-in experience, make sure you accept your texted/emailed ticket, confirm your information, and register a credit card for the evening right from your phone before you arrive. If you have done that, all you need to do is confirm and pick up your program once you arrive!

If you have any questions about Celebrate, please call – Lisa, Sami, Bob, or Dave at 735-9380. We are looking forward to a fun event “Celebrate”-ing Xavier Catholic Schools this Saturday, February 3rd!

Inspire WI

Inspire WI is hosting an exciting health career exploration event at the Atlas Science Center in Appleton to help students in grades 9-12 explore health careers and engage in hands-on activities including suturing, tracking diseases with an epidemiologist, understanding how medicines are developed, and interacting with medical devices.

This [event](#) takes place on Tuesday, February 27th
