Care Programs Policies and Procedures

This handbook was written to explain the policies and guidelines of St. Francis Xavier Catholic School System (XCS) Before & After Care and Extended Day Care programs (Care Programs) located at the Marquette Street and the McDonald Street Elementary campus. Parents using these programs are asked to **read this handbook carefully and are required to sign and return the parent agreement** to the attending campus. Your signature indicates understanding and agreement of the policies and guidelines of these programs. Policies are subject to change as needed. **The CARE Programs are NOT a part of the Wisconsin Parental Choice Program.**

Mission Statement

The Care Programs provide a safe, caring, and Christian environment for students at both Xavier Elementary campuses. It gives families a choice for quality care on site with minimal transitions. The Care Programs are self-supporting programs that rely on the fees paid by the families who use the programs.

The Care Programs Leadership

Trained and qualified staff supervise the Care Programs. The staff is responsible for the day-to-day details of the program including, but not limited to attendance, planned activities and dismissal of the children; as well as keeping the paperwork up-to-date, discipline, and managing fees. The Child Care Program Manager is responsible for hiring and evaluating care staff and ensuring the viability and success of the Care Programs.

Registration

For a child to attend the Care Programs, they must be attending XES, with completed Parent Agreement Form, Registration Form, and a Monthly Schedule. Tax deduction: use **ID number: 75-2975177**. An end of year tax receipt is available through Blackbaud. **Please note the CARE Programs are NOT a part of the Wisconsin Parental Choice Program.**

Attendance

Monthly Schedules

To provide quality and safe care, it is important to know how many children will be attending our programs daily. Parents are **required** to submit a monthly schedule and return it to the Care staff **by the 15th of the prior month**. On the form, indicate which days the child(ren) will be attending Care Programs and other activities on building grounds during this time (i.e. sports/play practice, scouts, etc.). Parents are to notify Care Program Staff with any schedule changes. Families will be called when a child does not show for a scheduled day.

Schedule Changes Regular School Days

Staffing is determined on the number of students signed-up in advance. Schedule changes are to be made **24 hours in advance** of the day the change is to occur. **All Care Programs: \$7.50 will be charged additionally for changes made with less than 24-hour notice. Extended Care same day cancellations, drop in's, and no shows will be charged for the full session plus \$7.50. This policy differs from Full Day care, see policy below. The CARE Programs are NOT a part of the Wisconsin Parental Choice Program.**

Families must contact their campus Care staff with schedule changes. We will do our best to accommodate changes, the ability to add days to will depend on availability.

Default Attendance

If a student is sent to the Care Programs by school or office personnel because the student is at school prior to school starting or after their school day ends, an additional drop in charge will be given above the normal session rate.

Sick Policy

- **Isolation of an Ill Child** • When a child becomes ill during any care program; he/she will be isolated from other children within the room or in the school office. • A child with a sore throat, inflammation of the eyes, fever over 100.0 degrees, lice, undiagnosed rash, vomiting, or diarrhea will be isolated. • Isolation shall be used until the child is picked up from the school site.
- **Pick-up of an Ill Child** • the child's parents/guardians will be called immediately after an illness is discovered (or authorized person when parents/guardians cannot be reached). The adult contacted shall plan for the child to be picked up immediately.
- **Re-admittance** • To maintain and promote a healthy environment with respect to each child's well-being as well as the staff's and parents', children will be readmitted to the program once they are symptom-free, meaning without the use of over the counter medication to keep the symptoms at bay. • If symptoms return during care, staff will call the parents and the child will need to be picked up immediately. • Children cannot return for 24 hours, until the child is symptom free without the use of medication or remedies that will mask the symptoms, and on any prescribed medication at least 24 hours or longer as instructed by a medical professional. • Do not send your child to school or care while they are still symptomatic. • **Sick children must stay home!**

Toilet-Trained Policy

Children registered with XCS Care Programs must be toilet-trained and fully independent with using the bathroom before attending, meaning accidents should be infrequent. Children must wear underwear, **as pull-ups and diapers are prohibited**. A child having accidents daily is not toilet-trained. We do understand that even toilet-trained children will occasionally have toileting accidents. By definition, "accidents" are unusual incidents and should happen infrequently. In these instances, the teachers will support children to change their clothes and encourage independence as much as possible. If a student has a BM accident and is having difficulty cleaning themselves up without adult assistance, we will call their guardians to make them aware of the situation. During the call, we will offer two options:

1. The guardian is able to come to school to clean up their child if they prefer.
2. We can offer to have an adult here at school help clean up his or her child, while having another adult present.

A toilet-trained child is a child who can do the following:

1. Communicate to the teachers that he/she needs to go to the restroom before they need to go.
2. Alert him/herself to stop what he/she is doing to go to the bathroom.
3. Pull down his/her clothes and get them back up without assistance.
4. Wipe him/herself after using the toilet.
5. Get on/off the toilet by him/herself.
6. Wash and dry hands.
7. Postpone going (being able to "hold it") if they must wait for someone who is in the bathroom or if away from the classroom.
8. Awaken during rest time to use the bathroom.

We certainly will ask your child many times throughout the day and before rest time if they need to use the bathroom. It is common for a child who is fully toilet trained to have a setback when he/she is in a new environment. Care Staff are aware of this and will assist children when necessary.

Please dress your child in clothing that can be undone and changed easily. Suspenders, buttons and belts can be tricky. Please send a complete change of clothes appropriate for the season. The clothing will be left at school in case of accidents and returned at the end of the school year.

Parents are informed if a child has a toileting accident. However, if the situation is not manageable within the classroom environment, we will discuss the issue with the parents and reserve the right to suspend attendance of the child at such time.

A child is not considered toilet-trained if a child continues to have toileting accidents consistently. **After the first days of school, the following policies will be in place for children who have accidents outside of naptime:**

1. If one or two accidents occur in one week, the parent will be notified with the understanding that the issue needs to be addressed and corrected.
2. If three or more accidents occur in one week, the parent will be notified with the understanding that if the issue is not corrected by the end of the second week, the child will have to stay home at least one week or longer until he/she is completely toilet-trained. Parents should contact the manager to facilitate the child's return to Care.
3. If multiple accidents occur in one day, the parent will be notified on that day; and if not corrected by day three, the child will have to stay home at least one week or longer until he/she is completely toilet-trained. Parents should contact the manager to facilitate the child's return to school. We will work with parents whose children have habitual rest time accidents on an individual basis.

Program Hours and Payment

Care Programs are billed through the family's Blackbaud account. It is a family's responsibility to know when payment is to be made based on the date of invoice due. **Note:** a family's invoice is **generated up to 20 days prior** to the due date. Please track days of care scheduled/used and include that amount with your payment to Blackbaud. A year-end tax receipt is available through the family's Blackbaud account.

Before Care

Before Care is offered at both elementary campuses 7:00 am - 8:15 am. Parents/guardians are **required** to walk students to the care area and sign them in. No snack or breakfast will be served. Students may bring a healthy breakfast if needed. Once they have finished eating, students may join in activities the staff sets out, read quietly, or free play in a quiet fashion. Before Care students stay with the staff until they join the school community at the first bell. This is a wonderful opportunity for families with care needs prior to regular school hours.

Attention:

Before Care will be available on days when there is a delayed start due to weather. Before Care will begin at 9:00 a.m. Families will be charged accordingly, no exceptions. Families will be called to pick up their children if the decision to close school for the day is made after 9:00 a.m.

After Care

After Care is offered from 3:15 pm – 6:00 pm on regular school days. Students walk to the designated area, settle in, and chat with their friends while attendance is taken. Students in After Care are given a snack break, a bathroom break, have outside playtime when possible, and have time to complete homework. Outside play is important; therefore, the daily schedule will vary based on the time of year and the weather.

Snacks: To ensure safety regarding food allergies, as well as, meeting dietary needs, children must bring their snack from home.

Homework Club: will be offered each afternoon. All children will be encouraged to complete homework or take part in quiet reading or activity. This is a time for students to work on assignments; however, it is **not** the responsibility of care staff to ensure assignments are complete before students are picked up.

Active play is important for child development. When possible, students are taken outside to play. On days we do not go outside we will utilize other spaces for large movement. Staff will post a note to let parents know where the group is. Students will have opportunities to play board or card games, do arts and crafts, work on puzzles, and participate in service projects. Students are welcome to finish homework at this time.

Parents need to sign their children out each time After Care is used. That person has assumed responsibility of a child who has been signed out of a Care Program. If a parent or guardian chooses to allow a child to play on the grounds or gym assumes responsibility of the child and must stay in the space the child is.

Extended Day Care

Extended Day is offered 8:15 am-3:15 pm to our Preschool age students; see above for session times and rates. The program is designed to offer convenient wrap-around care with minimal transitions.

Children have many opportunities to learn, grow, play, and develop in a well-supervised environment; with an emphasis on social skills, independence, physical development, cognitive and language development, and in keeping with our Catholic Christian faith, morals and values. Each child is recognized as an individual; planned activities will challenge and interest each child per their abilities.

Our program embraces many early childhood development areas such as small and large group time, prayer, science, math, large motor development, music, art, and dramatic play. For a daily schedule, please talk with Extended Care staff.

Quiet Time

A short rest period is offered daily. Children rest for at least 30 minutes; but can finish out a nap if they fall asleep. A child is **welcome** to bring a blanket or stuffy.

Meals

A snack is required from home; two snacks if your preschooler is attending a full day of Extended Care. Hot lunch is available for purchase through the school.

Drop Off & Pick Up

Families must escort their children to Care Program for proper arrival and sign in.

Families must pick up their children at the campus Care Program area as per procedure for their child's school.

Only those people listed on the registration form will be allowed to pick up the children – **No Exceptions**.

When an adult is not familiar to staff, they will be asked for I.D. Please inform all authorized adults of this procedure. Additional names can be added. For safety reasons, children **must be signed-out** before leaving the Care Program. Children attending Extended Care must be picked up by 3:15pm; or the child will be considered After Care and families will be responsible for After Care payment.

Parents need to escort or pick their children up and sign in/out each time Care is used. The signee has assumed responsibility of a signed-out child.

Students are considered picked up when the parent has assumed responsibility of the child at the time of sign out.
